Respectable Lady Attacked on the Streets By a Common Prostitute. Last Saturday evening there occurred on Overland street a most disgraceful affair and one that the officers should

A DISGRACEFUL AFFAIR.

sift to the bottom.

A respectable married lady with a little girl was walking along the street going home, when a Utah street woman approached her and began abusing her and at last hit her in the face cutting her in the eye so that the wound b'ed The courtezan then drew a pistol and threatened to shoot the lady.

The lady was terror stricken and did not know why she was attacked, and did not even know her assailant. The police nor any other officer did not get on to the row and the lady was so mortified she did not want to say anything about it, but there were eye witnesses to the assault and they all pronouceed it a shameful affair but did not care to go into court with it, uners the lady first made complaint.

The woman that made the assault is courtezan that has often figured in the courts and has always counted on having strong enough friends among nfluential male citizens to protect her from serious harm. The officers are now working on the case and if enough facts can be devel-
